## SWEDEN

<http://www.government.se/contact-information/#2144>

Here are the web links to the entire ordeal.

A brutal viral assault on a quiet vacation to get better from Medical based issues in Toronto Canada. The assault was January 13<sup>th</sup> 2017. The Malaysian Doctors / Kliniks refused to treat me medically. It's their ethos. Foreign visitors are on a Medical black list of non-treatment.

The CHC-KL? a nightmare of unprecedented danger. Then the Macabre Dr. Hedy Fry- Canada was now refusing me any medical recourse based on The King's Prerogative- An ancient law that allows only the PM – Justin Trudeau – the decision to prevent me – knowing that I will die – under the statement – as per Gar Pardy – I am not Canadian enough. Therefore I am sentenced to death by Justin Trudeau. Famazing.

It's a 1 Billion trust fund that I had paid into. There are petitions afloat to make this kind of Medical Emergency and or Political issues. But for me – it's the ashes to ashes – dust to dust oratory.

As I am seeking Asylum – my needs are Urgent – and only a mass appeal to Canada – to the Prime minister – The King - Justin Trudeau.

I am even trying Syria? A Controversial move – Canada bailed out Syria – Maybe Syria can bail a Canadian out?

**Emmanuel Macron,**

*Hey – President Macron - talk to your buddy Justin Trudeau - as this is a lot of cre cre on his part. He deemed me NOT CANADIAN ENOUGH. Ask Bridgette, what she thinks about this absurdity. Why kill me? An example of the call of the void. I am a dead man walking – so help – Please and Thanks.*

*I am pretty sure Justin will react badly by my making public – all this – its all true as per all the emails that I have added to the files. Yes its TOO MUCH INFORMATION – but the disease is eating my brain etc – so who knows what shape I will be in. But DO NOT LET JUSTIN GET AWAY WITH MY MURDER!*

*Please and Thanks.*

Emmanuel Macron,

Hey - le président Macron - parlez à votre pote Justin Trudeau - car il y a beaucoup de créateurs de sa part. Il m'a jugé pas assez canadien. Demande à Brigitte ce qu'elle pense de cette absurdité. Pourquoi me tuer? Un exemple de l'appel du vide. Je suis un homme qui marche - alors aidez - s'il vous plaît et merci.

Je suis à peu près sûr que Justin réagira mal en rendant public - tout cela - tout cela est vrai en ce qui concerne tous les emails que j'ai ajoutés aux fichiers. Oui, c'est trop d'informations - mais la maladie est de manger mon cerveau, etc - donc qui sait dans quelle forme je serai po Mais ne laissez pas JUSTIN se débarrasser de mon MEURTRE!

S'il vous plaît et merci.
